This report is sent to the Special Representative for Trade Negotiations who is responsible for monitoring the Orderly Marketing Agreement implemented by the Presidential Proclamation. The data cover U.S. production, imports for consumption, apparent U.S. consumption, employment, and wholesale and consumer price indexes.

Copies of the report, Third Quarterly Report of Certain Statistics for Nonrubber Footwear, containing the information developed under Investigation 332-93, may be obtained from the Office of the Secretary, USITC, 701 E Street NW., Washington, D.C. 20436.
